

Chinese Teacher Swap Shop

Chinese Language Teachers Association of Texas

CLTA-Texas has organized a *Chinese Teacher Swap-Shop* on Friday, October 24 at Hua Xia Chinese School. The theme of the Swap Shop is Effective Classroom Activities: Connecting to Standards. Standards for foreign language teaching (Communication, Culture, Comparison, Connection and Community) have been followed by foreign language curriculums in Texas and USA since the turn of the 21st Century. In the Swap Shop, four public and private middle and high school teachers in Houston and Katy area are invited to share with us their Standards-based classroom activities. This event also provides the members and interested teachers a chance to get together, enjoying a lively and fun evening. Dinner will be provided by CLTA-TX.
